Subject: FW: SADIE Deployment - Gold King Mine ER

Hey Randy,

Below is the information for SADIE. Gold King Blowout is the major project where our data is going in.

All,

A new version a SADIE specifically for the Gold King ER is now deployed. This version is integrated with the popups in the Gold King Ops viewer. Region 6 is still working on migrating a Region 8 widget that further integrates SADIE with the Ops viewer.

SADIE – Gold King Mine (the main project to use is Gold King Mine Blowout)
